WHOLESALE SURPLUS PRICE LIST—For the Trade Only

SPRING 1926

Our small fruit plant orders are filled direct from the ground—no cellared or stored stock. You get your plants fresh and alive. This means much to you.

Prices in this list abrogate previous quotations and are subject to change without notice. Prices in this list are for the trade only, and are subject to the stock being unsold when order is received.

A clean bill of health from the State Entomologist accompanies all orders.

My plants are warranted true to name and of grade represented.

While exercising great care to prevent mixtures, should any stock not prove true to name, I will either refund the purchase money of same, or replace the stock true to name free, but am not liable for further damages.

Terms: Cash with order, or satisfactory references from unknown parties.

For Spring 1926, we quote you special prices on strictly first-class stock, F. O. B. car. Packing done very carefully, for which no charge is made.

Prices herein are net—no discount.
